

The workshop on “Institutions, Individual Behaviour and Economic Outcomes” (IBEO) will take place in Corte (Corsica, France) from May 26 to 28, 2025. It is organized by the University of Corsica in collaboration with CRENoS (University of Sassari and University of Cagliari).

SCIENTIFIC COMMITTEE

Bianca BIAGI - University of Sassari & CRENoS
Juan Gabriel BRIDA - University of the Republic
Steven CAUDILL - Florida Atlantic University & CRENoS
Laura CIUCCI - University of Artois & CRENoS
Marco DELOGU - University of Sassari & CRENoS
Claudio DETOTTO - University of Corsica & CRENoS
Sauveur GIANNONI - University of Corsica
Christine LE CLAINCHE - University of Lille
Marta MELEDDU - University of Sassari & CRENoS
Sandrine NOBLET - University of Corsica
Dominique PRUNETTI - University of Corsica
André TORRE - University of Paris-Saclay & INRAE

LOCAL ORGANIZING COMMITTEE

Claudio DETOTTO - University of Corsica & CRENoS
Sauveur GIANNONI - University of Corsica
Andrea MATTEI - University of Corsica
Sandrine NOBLET - University of Corsica
Dominique PRUNETTI - University of Corsica

The poster features a satellite map of Corsica as a background. At the top left, logos for the University of Corsica, the Pasquale Paoli Laboratory (UMR 6240 LISa), and CNRS are displayed. At the top right is the CRENoS logo. The main title 'XIV Workshop on Institutions, Individual Behaviour and Economic Outcomes' is centered in large white font. Below the title, the dates 'May 26-28, 2025' and the location 'University of Corsica, Corte 001 Room Campus Mariani' are listed. The 'Organizing Committee' section lists the names and affiliations of the workshop organizers. At the bottom, social media icons and contact information for the LISa laboratory are provided.
